

OLD-SCHOOL WISDOM SURVIVAL SHEET

Because Grandma didn't need a TED Talk to know what was what.

1. Don't borrow trouble.

→ Stop stressing over stuff that hasn't even happened yet.

2. If it ain't broke, don't fix it.

→ Not everything needs an upgrade.

3. You can't pour from an empty cup.

→ You can't help others if you're running on empty.

4. A lie can travel halfway around the world before the truth gets its boots on.

→ Slow down before you believe—or share—anything.

5. Mind your own beeswax.

→ Stay in your lane.

7. Don't let your pretty does.

→ Looks fade, but decency sticks.

8. Measure twice, cut once.

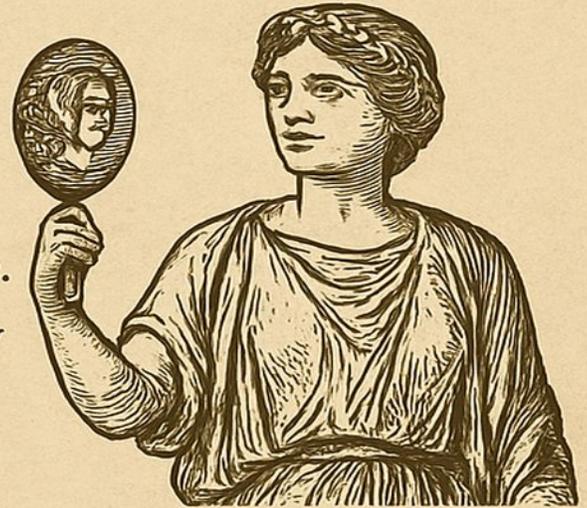

→ Think before you act.

9. Don't count your chickens before they hatch.

→ Don't get cocky.

10. A watched pot never sows.

→ Patience, grasshopper.

6. Don't let your mouth write checks your butt can't cash.

→ Don't talk big if you can't back it up.

10. A watched pot never boils.

→ Patience, grasshopper.

12. Even a broken clock is right twice a day.

→ Wisdom can come from unexpected places.
